# Our Request to You

ICJR

Global/Europe

# Bring the World to Paris!

How you can help ICJR achieve our goals for this inaugural meeting:

- Incorporate the summary slide or time-permitting all the slides into your future presentations
- Communicate this information to your local/regional orthopaedic organizations, asking them to provide this information to their members and post onto their website
- Encourage industry contacts, colleagues and friends to submit research and attend

ICJR

Global/Europe

# Summary/ Overview Slide

ICJR

Global/Europe

# World Arthroplasty Congress

16-18 April 2015 | Paris, France

## Course Chairmen:

- Jean-Noël Argenson, MD, PhD
- Arlen D. Hanssen, MD
- W. Norman Scott, MD, FACS
- Jan Victor, MD, PhD

## Highlights:

- Faculty of 80 orthopaedic experts from around the globe
- 2000+ attendees
- Podium and poster presentations from an expected 1000+ research submissions
- 3-day, 2-track agenda dedicated entirely to global issues in hip and knee replacement

# PLAN FOR PARIS

- The first and only Global Congress dedicated entirely to hip and knee arthroplasty
- A faculty of orthopaedic experts from around the world
- Dynamic three-day agenda will expand global understanding of key issues in orthopaedics
- Explore areas of customized instrumentation, surgical navigation, imaging, clinical evaluations and outcomes through standard didactic presentations and interactive panel discussions
- Scientific podium and poster sessions featuring global advances in hip and knee arthroplasty
- A unique and exciting social program featuring the finest that French and Parisian culture has to offer
